

IAPM Announcements for 2016

Proposals are invited for **APCON-2016** Conference by email on or before **15th November 2015** for the following:

1. Gaya Prasad Memorial Pathology Symposium
2. Dr. Ananthanarayan Microbiology Symposium
3. IAPM Histopathology Slide Seminar
4. Hematology Symposium
5. Six parallel CMEs (in all sub-branches of pathology including molecular pathology and pathology education)
6. Practising Pathologists' Symposium

The moderator should have been a **life-member** of the IAPM for at least ten years. The moderator should put forward **NO** more than **two** proposals. The topic chosen should not have figured in the programs of the past five APCONs and they should be contemporary and of current importance. The selection of the moderator should be based on the person's experience, past work and/or publications in that field of the suggested topic. As a principle, to give wide scope to members from all over the country, proposing members should not have moderated a session in the past two years. On receipt of the proposals, the Secretary IAPM shall circulate the same to the members of Executive Committee. The matter shall be discussed in the Executive Committee meeting before being presented to the General Body. The topics for CMEs shall be finally selected only after approval by the General Body. If the topics are not received on the stipulated time, topics (which have not figured in the programs of the past five APCONs) will be selected during the General Body Meeting.
